MORNING CONSULT

#

September 18-21, 2026

*Crosstabulation Results*

*Methodology:*
This poll was conducted from September 18-21, 2026, among a national sample of 2252 Adults. The interviews were conducted and the data were weighted to approximate a target sample of Adults based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

# Crosstabulation Results by Respondent Demographics

**Table ECdem1:** *Would you consider where you live to be...*

| Demographic | an urban area | | a suburban area | | a small town | | a rural area | | Total N |

**Table EC16a:** *An "education savings account" in K–12 education – often called an ESA – establishes for parents a government-authorized savings account with restricted, but multiple uses for educational purposes. Parents can then use these funds to pay for: school tuition; tutoring; online education programs; therapies for students with special needs; textbooks or other instructional materials; or save for future college expenses. In general, what is your opinion of an ESA system?*

**Table EC269:** *A 'refundable tax credit' is a refund payment to taxpayers from the government for qualifying expenses, even if taxes owed are less than the refund amount. A refundable tax credit in K-12 education would allow families to cover qualifying education expenses, such as private school tuition and fees, tutoring, textbooks, standardized assessments, or homeschooling costs. In general, what is your opinion of refundable tax credits in K-12 education?*

**Table EC269:** *A 'refundable tax credit' is a refund payment to taxpayers from the government for qualifying expenses, even if taxes owed are less than the refund amount. A refundable tax credit in K-12 education would allow families to cover qualifying education expenses, such as private school tuition and fees, tutoring, textbooks, standardized assessments, or homeschooling costs. In general, what is your opinion of refundable tax credits in K-12 education?*
