Table EC64: *An Individualized Education Program (IEP) is a written plan developed by a team of parents and staff for a student that requires special services in a public school. To be enrolled in an IEP a student must have a physical, learning, or social/emotional disability. How many of your children, if any, are receiving services provided by your school or school district through an Individualized Education Program (IEP), or a similar special services plan?*

Table EC249: *A 'career scholarship account'—often called a CSA—establishes a government-authorized scholarship account with restricted, but multiple uses, allowing eligible high school students in grades 10 through 12 to use funds for career-focused learning, such as apprenticeships, internships, job training, industry certifications, reimbursement for transportation, or payment for required equipment. In general, what is your opinion of career scholarship accounts?*

Table EC249: *A 'career scholarship account'—often called a CSA—establishes a government-authorized scholarship account with restricted, but multiple uses, allowing eligible high school students in grades 10 through 12 to use funds for career-focused learning, such as apprenticeships, internships, job training, industry certifications, reimbursement for transportation, or payment for required equipment. In general, what is your opinion of career scholarship accounts?*
